UW-Madison Center for Pre-Health Advising
Fall 2020 Virtual Events and Resources

The Center for Pre-Health Advising is dedicated to advising all UW-Madison undergraduates and alumni as you explore, prepare for, and apply to graduate-level health professions programs.

ADVISING

FIRST YEAR FRIDAYS: Drop-ins for first year students. Every Friday from 9 am to 12 pm. Learn more. And be sure to sign up for our online pre-health orientation!

DROP-INS: For second year students and up—Mondays from 9 am to 12 pm and Tuesdays, Wednesdays, and Thursdays from 1 pm to 3:30 pm. Learn more.

APPOINTMENTS: Second year students and up, please make 1:1 appointments with a pre-health advisor via Starfish. Alums, please email our Questions Box! We will help you meet with us—questions@prehealth.wisc.edu.

WORKSHOPS

Check out more events in our bimonthly newsletter — sign up here!

FOUR YEAR + PLANNING
Begin planning your path through college to a health professional program with the direct support of a pre-health advisor! Workshops offered multiple times a semester. Learn more.

EXPLORING CAREERS IN HEALTHCARE
Want a career in healthcare? Looking for the right one for you? Come and explore all your options with CPHA, CEC, and L&S SuccessWorks! Learn more.

MCAT STUDY PREP
Preparing for the MCAT this year? Learn about the exam and MCAT resources. Create a study plan. Do some practice. Talk about the challenges. All in this workshop series. Learn more.

HEALTH EQUITY SYMPOSIUM: Seeking Health Equity During Covid-19

Join us in November for learning and conversation with health and community health professionals whose work is dedicated to health equity. Find out what is being done here in Madison and what you can do in the context of the pandemic and beyond. Virtual keynote and breakout sessions. All sessions will be recorded. Tune in live or watch later! Learn more.

CANVAS COURSES

Preparing for a Professional Program in Healthcare (online CPHA pre-health orientation), Applying to Dental Programs, Applying to Medical Programs, Applying to Physical Therapy Programs, Applying to Physician Assistant Programs. Each course is a free, non-credit, treasure trove of information—in other words, a really robust resource library. Check them out!

Questions? Email us at questions@prehealth.wisc.edu. Want to learn more? Check out our website (prehealth.wisc.edu) and follow us!
